## LOUVER DOORS

TS2030 with  
Louver Bottom

Cherry LVR2020

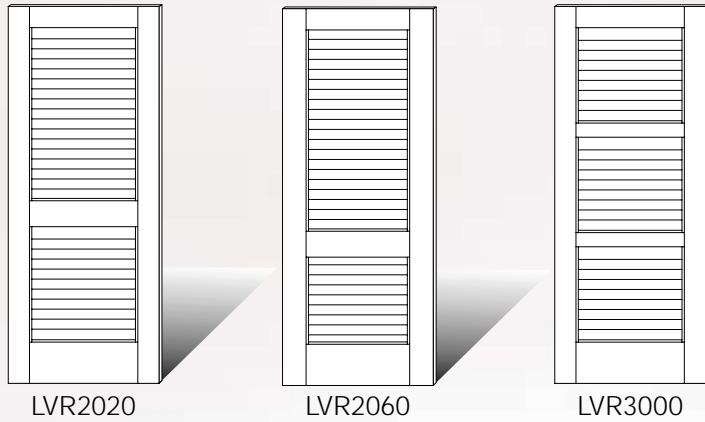

We now offer plantation style louver doors in many of our door designs. Simply replace any square panel with louvers for this great new look. Louver doors are available in either paint or stain grade. Whether it's a full or half louver door that you are looking for, we have it in 1-3/8" and 1-3/4". Louver doors must have a lockrail.

**TRUSTILE<sup>®</sup>**  
**DOORS INC**

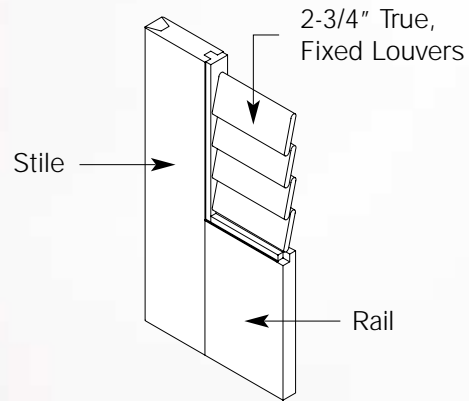

Here are just a few examples of some louver door styles. Louvers are available to replace any square panel; however the door must have a lockrail.

As always we welcome custom designs.

### Full Louver Doors

### Louver Cross Section

Wood louver doors in most domestic wood species are available from WDP Inc.

### Louver Bottoms

Add a louver bottom to our standard door styles.
