

DECORATIVE FLOORS AND BORDERS

Introducing BorderWalks™ architectural hardwood designs where we take the timeless beauty of hardwood flooring one step further. Our patent pending manufacturing process utilizes the end grain of domestic and exotic hardwoods to create custom mosaic patterns and contemporary designs never seen before. We bring you a cutting edge floor that provides fine detail and curves with unsurpassed strength and durability. With BorderWalks™ the possibilities are endless and the choices are yours.

"Taking the timeless beauty of hardwood flooring one step further."

Use our borders and floors to encompass an entire room or accent a specific area. The choice is yours.
